**Re: Community Project Funding Request for the Lindsay Pipeline Project**

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Lindsay Pipeline Project in Fiscal Year 2024.

The entity to receive funding for this project is the City of Lindsay, located at 251 E. Honolulu St. Lindsay, CA 93247.

The funding would be used to replace an existing undersized, old main pipeline stretching from the intersection of Page Ave and East Sierra View Street to the intersection of Page Ave and East Tulare Rd. The project is an appropriate use of taxpayer funds because it will serve as one of multiple city water system improvement projects that will lead the City of Lindsay, CA to be self-sustainable with clean drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by: Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David G. Valadao  
Member of Congress
